A Positive Alternative to Self Care of Children

Dear Parents:

We are happy that you have chosen the YMCA of Gloucester County for your child care needs. The program is sponsored by the YMCA in conjunction with various schools throughout Gloucester County. The program is hosted directly inside your child's school.

The YMCA staff are experienced and enthusiastic about the program. We look forward to successfully meeting your child's needs with quality care. Parent's comments and ideas will be graciously accepted.

Opportunity for structured homework time and physical activity will be available for your child each day. The YMCA is licensed to provide child care. The Y'z Kidz program provides a healthy snack. Stimulating and fun activities are provided daily.

Enclosed please find a copy of the Parent Handbook. Please take a moment to familiarize yourself with the Program and if you have questions once you have completed this literature, feel free to contact me at the YMCA of Gloucester County. The handbook also includes a complete set of forms that must be filled out and returned to the Program by the first day of the child's attendance.

I trust that your child will have a good year in the program.

Sincerely,

Tish Davis  
Child Care Director

# **Before and After School Program**

## **Philosophy**

We believe that each child is entitled to a supervised, safe, secure, and nurturing environment when separated from his/her parent(s). Furthermore, we believe that such an environment is preferable to self care during non-school hours. We believe that this time is important for developing social skills and pursuing interests, as well as, being a release from the structure of the school day.

We believe that a high quality Child Care Program is maintained through: a) interaction among staff and children b) curriculum, c) staff-parent interaction, d) staff qualification and development, e) administration, f) staffing, g) physical environment, h) health and safety, i) nutrition and food service, and j) evaluation.

We believe that children in self care are at risk; therefore, we believe in providing a convenient service which will result in strengthening families. Furthermore, we believe that providing this service falls within the realm of our public and social responsibility. We recognize the love, interest, and concern of each parent for the child and support active involvement by the parent in the Program.

## **Mission Statement**

It shall be the purpose of the YMCA of Gloucester County's Child Care Programs to meet the needs of families whose children might otherwise be in self care or be responsible for the care of younger siblings after arriving home from school. The YMCA of Gloucester County seeks to provide affordable child care in a supervised, safe, secure, and nurturing environment. The YMCA of Gloucester County shall provide a variety of activities ranging from quiet study time to exciting and stimulating indoor and outdoor fun and shall include a snack (in applicable programs).

Initially, the YMCA of Gloucester County's Child Care Programs shall serve selected elementary schools within the school system with the long range goal of expanding the service to all elementary schools. The YMCA of Gloucester County's Child Care Programs shall be licensed by the State of New Jersey to operate a child care center.

**Gold = Full Member**

**Silver = Basic Member**

**Bronze = Non-Member**

**There is a yearly non-refundable/non-transferable registration fee of \$55.00 per child or \$70.00 per family**

**Drop-in Service: \$80/Voucher Card (plus registration fee)**

**This year you may purchase a voucher card that must be taken to the Site Coordinator once purchased and left @ the site. Voucher Cards are one per child and cannot be shared. For every visit (EITHER AM OR PM – NOT BOTH) a block must be dated and initialed. If used on a half day, 2 blocks must be initialed on the Voucher Card. 48 hours advanced notice must be given to the Site Coordinator when this service is needed.**

1. When the schools have a half day, service will be provided. **There are no additional charges for half days if afternoons are included in your package, and it is your child's scheduled day to be in the program.** If you only have a morning package and need afternoon care on half days you must either register for aftercare for that month or purchase a Drop-In Voucher Card.
2. All payments must be made by the **20<sup>th</sup>** of the month prior to the child care services starting. If payment is late, a late fee of \$25 per family will be charged beginning the 21<sup>st</sup> of each month. If payment is not made by the last day of the month, in any given month, services for that month are treated as a withdrawal from the Y'z Kidz Program. **Re-admittance into the program will require another registration fee. Please note that we do not send out an invoice each month stating what your balance is for the upcoming month.**

3. To make it easy for you, we have installed an easy payment plan with the use of your bank card (with credit card logo). This system has been set up to ensure that you do not accrue late fees for the Y'z Kidz Program. Our Y'z Kidz Registrar will charge your credit card/bank card on the 20<sup>th</sup> of each month. You must sign up for this payment system for at least 3 consecutive months. Please fill out the form provided in the back of the parent pack and bring it in to the YMCA when you are ready to utilize this service (this paperwork cannot be mailed in). If the payment plan changes from month to month, the Y'z Kidz Registrar must be given written notice by the 15<sup>th</sup> of the previous month requesting the plan to be changed, this includes cancellation. If the card is declined, the parent **MUST** come in to pay by the close of business on the 20<sup>th</sup>. If payment is not made by the close of business, you are responsible for the late fee or re-registration fee that will accrue after the due date. We do not charge the same card again (within the same month). If your card is declined 3 times within one school year you must choose a different method of paying each month. Only the Authorized Parent / Guardian is permitted to register or terminate care for Easy Pay.

**NEW!!!**

4. When you provide a check as payment, you authorize the YMCA of Gloucester County to either use information from your check to make a one-time electronic fund transfer from your account or to process the check as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. *Please Note: Any check that is given to the YMCA must be accompanied by a license. The license and check that is presented at the time of payment must match the person submitting payment. Please no starter checks.* If the electronic fund transfer cannot be completed because there are insufficient funds in your account, we may impose a one-time insufficient funds fee against your account, which we will also collect by electronic funds transfer. If a paper check transaction is dishonored or returned for any reason, we will re-present the check electronically to your bank account for collection for the amount of the check, plus any applicable fees as permitted by state law. Please Note: Checks cannot be mailed in after the payment due date. If we receive a check, based on the post mark, we will contact you and you will have to make other payment arrangements.

5. Payments that are mailed in and post marked the 21<sup>st</sup> or later are considered late. **We do not go by the date that is written on the check or money order.** If a payment for the upcoming month is received in the mail and is late, based on the post mark, the parent will have until the last day of the month prior to the month that services are needed, at the close of business, (weekends included) to come in and pay the \$25 late fee. If the late fee is not paid, the child will not be accepted into the Y'z Kidz Program for the upcoming month. Please note that we are not responsible for lost/stolen mail. Payments must be received on time and will still accrue a late fee or re-registration fee. Beginning on the 1<sup>st</sup>, a re-registration fee is required to continue in the Program.

6. You also have the option of paying your monthly tuition online. Please visit [www.ymcagloco.org](http://www.ymcagloco.org), click on the child care page and follow the link to get registered to use this online service.
7. Unused days are **non-refundable/non-transferable** and may not be carried over to the following month or school year (this includes the Drop-In Program).
8. Any suspensions (both through the school and / or the Y'z Kidz Program) are treated as if the child is in attendance, therefore charges are still applicable.
9. By using a check for payment, you agree to the following terms: in the event your check is dishonored or returned for any reason, you authorize us to electronically (or by paper draft) re-present the check to your bank account for collection of the amount of the check, plus any applicable fees as permitted by state law.
10. If all of the child's required enrollment forms are not completed and returned to the Site Coordinator by the day the child is scheduled to start the Program, the child will not be allowed to attend until these completed forms are submitted to the Site Coordinator. The parent/guardian/custodian will be responsible for payment of fees from that date in order to reserve the enrollment spot until such time as the completed forms are returned.
11. Limited financial assistance is available to those who qualify. Y'z Kidz scholarship applications are located at the Front Desk.

This notice must include the date leaving as well as the date returning. If this date expires and further notice is not given, a re-registration fee will be required to return to the Program. ## **SECTION XIX. DISCIPLINE AND DISCHARGE**

Children are entitled to a pleasant and harmonious environment at the Program. The YMCA of Gloucester County's Child Care Programs cannot serve children who display chronically disruptive behavior.

Chronically disruptive behavior is defined as verbal or physical activity which may include, but is not limited to, such behavior that: requires constant attention from the staff, inflicts physical or emotional harm on other children, abuses the staff, ignores or disobeys the rules which guide behavior during the school day and the Program time. A child may be suspended / discharged immediately for chronically disruptive behavior. The length of the suspension / discharge will be determined by the Child Care Director. If a child cannot adjust to the Program setting and behave appropriately, then the child may be discharged.

Reasonable efforts will be made to assist children to adjust to the Program setting. Disruptive behavior will be dealt with in the following manner:

1. The misbehaving child will be given an age appropriate time-out, in order for him/her to cool off and think about his/her actions.
2. If a second incident occurs in a single day, another age appropriate time-out is given to the child and a behavior-related warning letter will be written. Parent will read, sign and return the letter which then will be filed in the child's records.

3. If a child receives 3 written behavior-related warning letters (an accumulation), they will be suspended from the Program for a length of time to be determined by the YMCA staff. Parents will be charged for the days in accordance to the amount of suspended days.
4. If the child is reinstated in the Program and receives a 4<sup>th</sup> behavior-related warning letter, the YMCA staff **may suspend the child immediately**. If necessary, the parent will be notified to come and pick up their child immediately. A meeting will then be set up between the parents and YMCA staff to discuss the behavior as well as re-admittance into the program. The on-site YMCA staff may make such recommendations to the Child Care Director as are appropriate, including discharge without the right of reinstatement. Parents will continue to be responsible for the payment of tuition during the period of suspension or until the child is withdrawn or discharged from the program.
5. At the discretion of the YMCA staff - If the severity of a problem is great enough that it could endanger the safety of your child or children in the Program, discharge will be effective immediately after the YMCA staff notifies the parent.
6. At the discretion of the YMCA staff - A child will be suspended automatically for fighting, stealing, placing any type of physical, mental or emotional act upon another child, bullying and/or damaging facility property. For the second offense the child may be dismissed, automatically.
7. A child may be discharged from the Program because of the parent/guardian's inappropriate behavior or conduct.
8. A child may be suspended for any unsigned parent forms regarding late pick up, warning letters, and/or suspension letters whether the parent is in agreement or not.
9. A child may be discharged if he/she is picked up late 3 times.
10. A child may be discharged for non-payment of fees (includes re-registration & late fee)
11. If a child is discharged due to the number of times suspended, and it is not a circumstance that due to the severity of the problem is great enough that could endanger the safety of your child or children in the Program or the Program Staff, parents will have approximately one week to make alternative child care arrangements.

## YMCA Before and After School Program Discipline Method Agreement

**I understand the behavior management discipline/methods to be used in the YMCA's Child Care Programs.**

1. Adequate supervision at all times.
2. Discipline is a teaching tool to help children learn a better way of behavior.
3. Staff will serve as role models and will use positive techniques of guidance.
4. Discipline will be fair and consistent.
5. There will be no physical punishment or disciplinary action applied to the body of the child.
6. Bathroom accidents will not constitute punishment, and parents will be notified.
7. "Thinking Time" and "Time-out" will be used as needed.
8. The Program reserves the right to terminate the child's participation in the Program based on repeated behavior problems, and according to the Section XVIII Discipline and Discharge in the Parent Handbook.
9. Unacceptable behavior includes: kicking, spitting, abusive language or profanity, sexually inappropriate behavior, refusing to follow instructions, destroying property, leaving the area without permission, stealing, fighting, or any other behavior which may be physically or psychologically harmful to others or themselves.
10. Problems will be discussed with the child, parent/guardian, and YMCA staff.

**Please discuss the Discipline Agreement with your child.**

The following is our Y'z Kidz Code of Conduct. Once a week, each site will discuss what the Code of Conduct is and the consequences for not following it. Please take a moment and speak with your child about the Y'z Kidz Code of Conduct. This will ensure an easier transition to our child care program and a better understanding of our program expectations.

## YMCA OF GLOUCESTER COUNTY Y'Z KIDZ CODE OF CONDUCT

The following is the YMCA of Gloucester County's Y'Z KIDZ Code of Conduct, which is to be displayed at every program site:

- 1) I have the right to be safe at Y'Z KIDZ. This means that no one will: hit me, kick me, push me, pinch me, or hurt me.
- 2) I have the right to be happy and to be treated with respect. This means that no one will: laugh at me, hurt my feelings, or use unkind language toward me.
- 3) I have a right to expect that my personal belongings will be respected. This means that no one will: take, damage, or destroy the property of others or that of the YMCA.
- 4) I have a right to have fun. This means that I will participate, cooperate, and enjoy the various activities throughout the program.
- 5) The \*Y'Z KIDZ staff has the right to give directions and expect that they will be followed. This means that I will be responsible, respectful, and cooperative in our program. This means I will show my best behavior.

\*Y'Z KIDZ Staff includes all adults working for the YMCA (Site Coordinators, Assistant Site Coordinators, Specialists, etc.)

**Please discuss the Y'z Kidz Code of Conduct with your child.**

## SECTION XX. FIELD TRIPS

Children in the Y'z Kidz program occasionally take Field Trips. Guidelines for these trips are as follows:

1. Parents are to sign a Field Trip Permission form – giving specifics on the field trip. Effort will be made to give notice one week in advance.
2. Most cost is absorbed by the Program. When additional costs are necessary, parents are notified in advance of the trip.
3. Children will be transported by the YMCA bus or any authorized vehicle by the YMCA to and from the place of destination. If it is a walking field trip, parents will be notified.
4. Children who are frequently disruptive, causing a hazard for the safe operation of the vehicle and the place of destination, may be barred from participation in any trips. Parents will have to make alternate arrangements for child care on a field trip date.
5. A head count will be taken before, during, and after each trip.
6. On half-days (according to school half day hours) the YMCA staff has the option to schedule field trips and/or visits to the YMCA of Gloucester County (pending on availability of pool and gym) and will be transported by bus.

## SECTION XXI. VISITORS AND OBSERVATIONS

Parents and community members who are screened by the YMCA staff are welcome to observe at the Program. For liability and supervision reasons, it is not possible for children who visit the Program to take part in activities. **The Program cannot be used by non-custodial parents for means of visitation.**

## SECTION XXII. REPORTING SUSPECTED CHILD ABUSE/NEGLECT

The Division of Youth and Family Services and the Program's license require caregivers to report any suspected cases of child abuse and neglect. This includes the reporting of parents who appear to be impaired by drugs and alcohol.

\*Note- a child will not be permitted to go home with a parent that is **suspected** of the consumption of alcohol or suspected drug use. It is up to the discretion of the YMCA staff, if necessary, the police may be called to settle any disputes.

## SECTION XXIII. BABYSITTING OR MOONLIGHTING

Current employees or volunteers of the Program will not be allowed to babysit any children that they meet within the Program.

Staff members or volunteers may not transport before, during, and/or after care hours. **NO EXCEPTIONS!!**

## SECTION XXIV. INVOLVEMENT OF SCHOOL

The school shall have no responsibility for supervision of students or for the content of the program provided by the YMCA and it makes no representations regarding the educational soundness thereof. The school's involvement is limited solely to providing space.

If payment for the program has not been received and the YMCA's attempts to speak with authorized parents / guardians regarding this matter go unanswered – we will treat this case as an uninformed withdrawal from the program. In this case, the school may be involved as the child is no longer registered for our child care program and must make alternate arrangement during non-school hours.

## SECTION XXIV. LICENSING INFORMATION

**Dear Parent:**

**In keeping with New Jersey's child care center licensing requirements, we are obliged to provide you, as the parent of a child enrolled at our center, with this informational statement.**

**The statement highlights, among other things: your right to visit and observe our center at any time without having secure prior permission; the center's obligation to be licensed and to comply with licensing standards; and the obligation of all citizens to report suspected child abuse/neglect/exploitation to the State Central Registry and Child Abuse Hotline.**

**Please read this statement carefully and, if you have any questions, feel free to contact me at: 845-0720.**

**Sincerely,**

**Tish Davis,

## ADDITIONAL LICENSING INFORMATION

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Human Services (DHS). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment /life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may secure a copy of the Manual of Requirements by sending a check or money order for \$5 made payable to the ‘Treasurer, State of New Jersey’, and mailing it to State of New Jersey, Department of Human Services, Licensing Publication Fees, PO Box 34399, Newark, New Jersey 07189-4399.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child-Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing standards, you are entitled to report them to the Office of Licensing toll-free at 1-877-667-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parent(s) to be responsible for the child. Please discuss with us your plans for your child’s departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center’s copy of the Office of Licensing’s Inspection/Violation Reports on the center, which are issued after every State Licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Office’s Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all DHS inspections/investigations. DHS staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you have about it.

Our center must post a listing or diagram of those rooms and areas approved by the Office for the children’s use. Please talk to us if you have any questions about the center’s space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Division on Civil Rights in the New Jersey Department of Law and Public Safety for information about filing an LAD claim at (609) 292-4605 (TTY users may dial 711 to reach the New Jersey Relay Operator and ask for (609) 292-7701), or may contact the United States Department of Justice for information about filing an ADA claim at (800) 514-0301 (voice) or (800) 514-0383 (TTY).

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by an adult, whether working at the center or not, is required by State law to report the concern immediately to the State Central Registry and Child Abuse Hotline, toll-free at 1-(877) NJ ABUSE (652-2873). Such reports may be made anonymously.

Parents may secure information about child abuse and neglect by contacting:  
Community Education Office, Division of Youth and Family Services, PO Box 717, Trenton, NJ 08625-0717.

## CATCH

### **What is CATCH?**

In the summer of 2008 the various YMCA's in New Jersey were awarded a Healthy U Grant from Horizon Blue Cross Blue Shield. This grant was then applied to the implementation of the CATCH Program throughout the state. CATCH (Coordinated Approach to Child Health) brings schools, families, and communities together to teach children how to be healthy for a lifetime and attack the prominent issue of childhood obesity. CATCH is effective because healthy behaviors are reinforced through a coordinated approach-in the classroom, in the cafeteria, in physical education, at home, and after school. CATCH is research-based and proven to work. The YMCA is the largest child care provider attacking the issue of childhood obesity and CATCH is the tool that is being used to combat it.

### **CATCH KIDS CLUB**

The CATCH Kids Club (CKC) is a physical activity and nutrition education program designed for elementary school ages children (Grades K-5) in an after school/summer setting. Through non-elimination games we seek to keep kids active with the goal of teaching valuable life lessons in sportsmanship, nutrition, and healthy life styles.

### **The Components**

The education component aims to equip children with the knowledge, skills, self-efficacy, and intentions to make healthy dietary and physical activity decisions. The physical activity program has four main objectives:

- Involve students in at least 30 minutes of daily physical activity.
- Involve students in at least 40% of moderate-to-vigorous physical activity of daily physical activity time.
- Provide students with many opportunities to participate and practice skills.
- Provide students with a variety of enjoyable physical activities

### **Why CATCH Kids Club?**

- CKC works – it has been kid-tested and approved, it is inclusive (everybody plays), and it has been demonstrated to increase children's physical activity and their nutrition knowledge and intentions.
- CKC activities are designed to attract children – to get them to make the choice to participate because the games are fun. The variety of activities is a strength to the program.
- CKC is easy to use – it provides the information and resource materials to assist after-school staff and counselors to successfully integrate structured activities and nutrition lessons into their program.

Below is a sample lesson of the CKC schedule, as used in our After School Program. Please note: This only reflects the CKC portion of our program and does not list the other aspects of our program (i.e. homework time, snack, sports, arts & Crafts, etc.)

The YMCA of Gloucester County is very passionate about making our youth aware of the importance of being healthy. Together, the YMCA and our families, we can establish healthy habits in childhood that can promote behavior changes that will last a lifetime.
