I (print full name) _____ will faithfully attend swim practice every (day) _____ for the duration of the dual meet swim season. I will also attend all swim meets that do not conflict with other competitive swimming events to which I am already obligated to attend. If for some reason I am unable to attend the practice day that I have selected, I will contact Coach Andy or Coach Anna as soon as possible. Upon missing a selected practice I may reschedule for that week once a Coach approves my choice.
